Innovative Prosecution Solutions: Project Overview

Purpose

Support state and local prosecutors seeking to reduce crime through legal initiatives that offer alternative criminal justice avenues for the offender, and/or specific services for the victim

Targeted Populations

- High gun-related crime offenders at risk recidivism
- Repeat domestic violence offenders
- 18-25 year old non-violent felony offenders who are at risk of recidivism
- Dual human trafficking victims and criminal defendants; human traffickers
- 12-24 year old juvenile and young adult offenders who are low-level misdemeanants at risk of recidivism
- Victims of violent crimes
- Offenders and victims within high-crime areas
- 16-24 year old juvenile and young adult offenders
- Gang-affiliated violent offenders
- Communities with high levels of gun-related violence
- Reducing opioid-related overdose incidents
- Reducing violent crime associated with the trafficking of illicit opioids
